THE DIFFERENCE KINGSWAY MAKES

Kingsway provides a home and support to people with enduring mental health needs. Our staff are skilled at helping people to develop effective coping mechanisms and strategies for complex mental health issues. We encourage the people we support at Kingsway to become more independent and they are the key decision makers about their own care and the running of the home.

THREE GREAT THINGS ABOUT KINGSWAY

Family feel - Kingsway has a relaxed atmosphere and the feel of a family home, with lots of opportunities to socialise and get involved in activities.

Communal spaces - The home has communal areas that are good for socialising. People often spend time in the lounge and large garden.

A great location - Located in St George in East Bristol, the home is close to a café and a fish and chip shop. Buses going into Bristol and Bath stop very close by.

OUR VALUES

We start with the person. From surfing to computer skills, we encourage people's individual hobbies and interests.

We bring people close. We emphasise respect for each others' needs.

We take our creativity to work with us. We help to build confidence and self-esteem, for example supporting people to contribute to and coordinate an art exhibition.

We are courageous in our approach. People we support are helped to take charge of their care and write their own support plans.
